

About US

Joe and Brenda have been doing children's ministry for nearly 30 years. We have ministered in churches, campgrounds, malls, fairgrounds, church camps, and city streets. We have been on short term mission trips to Mexico, North Carolina and South Carolina.

We would love to come to your church, campground or event!

If there is any way we can help you in your ministry, please be sure to contact us.

We are happy to accept free-will offerings. We do not charge a set fee for our ministry.

Mix a little ADHD with a great sense of humor, and you really don't know what's going to happen (and neither do we), just that you're going to laugh a lot! Joe uses *Gospel Illusions* and storytelling to teach important Biblical principals. His clown character, Jethro, is an offbeat clown that follows us around, getting into trouble wherever he goes. He bumbles his way through everything he does, but always manages to share the love of Jesus.

Christ Centered Ministry

Set Free Ministry was created to fulfill Christ's commission to go and tell others about the Gospel of Jesus Christ. Sometimes we even use words. But mostly, we like to show the way by sharing our hearts through laughter and music. We offer a complete VBS or Bible School Program, a 1 hour church service, a kick-off or wrap up for your program, or provide entertainment at an outreach event.

Music, Mime and Faces

Brenda is a musician unlike most. She plays the hammered dulcimer. Even though this instrument has been around over 2,000 years, you may have never heard of it. The name means "Sweet

Sound", and it truly lives up to that! Brenda has been playing and teaching hammered dulcimer for over 20 years, and is always thrilled to share her joy and talent with others.

She also enjoys sharing her music by creating a visual picture of some of today's poignant worship music using American Sign Language.

Additionally, she offers fast and fun face painting! This can be part of your VBS, outreach event, or whatever your imagination can inspire.
